Stambaugh Carnegie Public Library

Miss Lydia Koebbe
Librarian

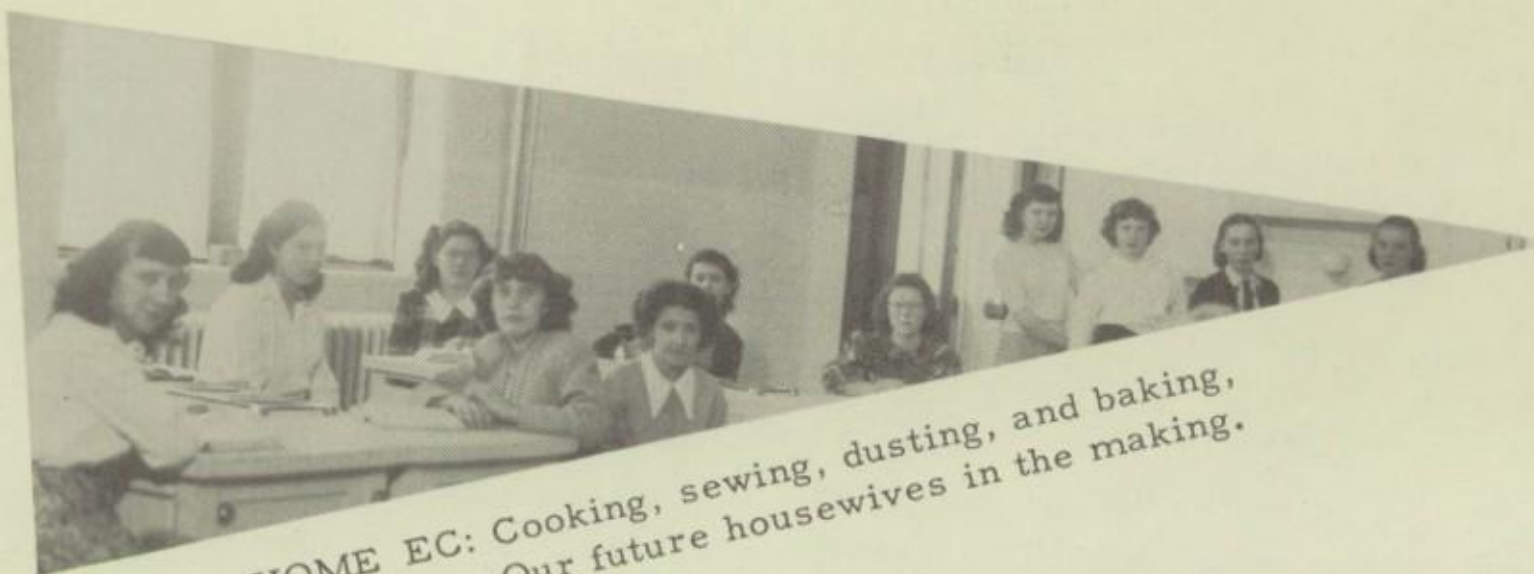

Interior view of the Library

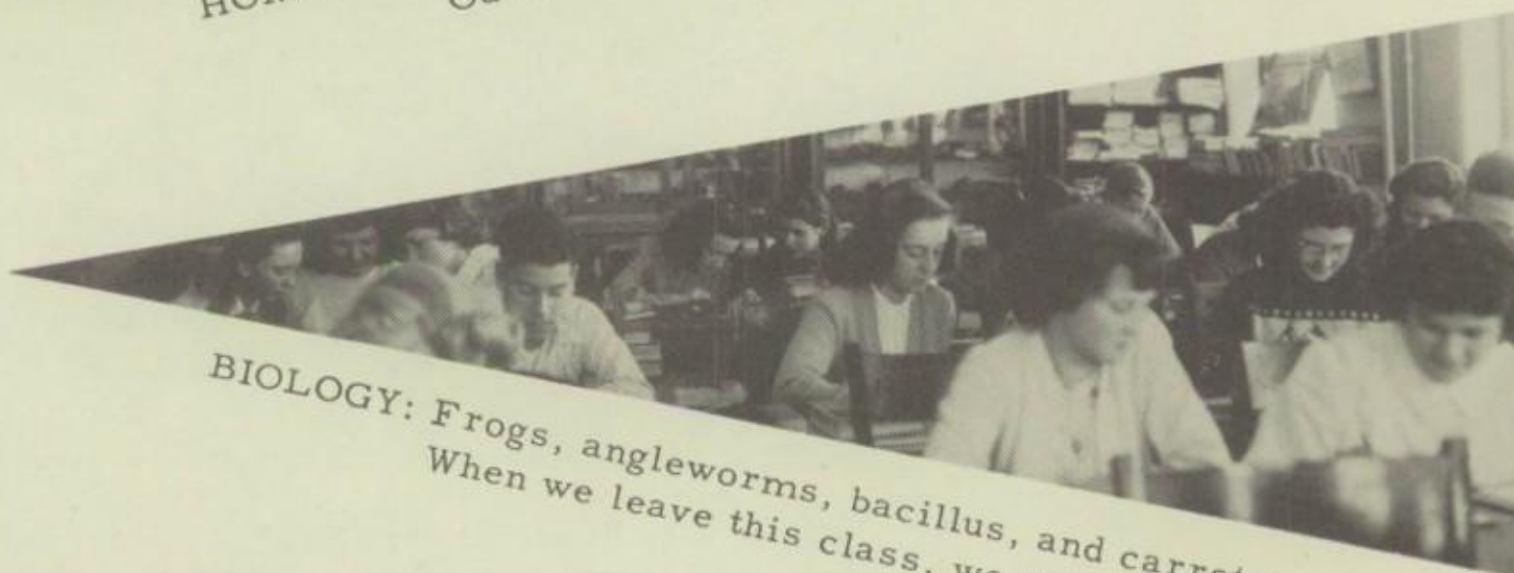

The Carnegie Public Library has served us often with both reference and pleasure reading material. The building, which was erected on our campus in 1944, contains approximately 12,000 books. Six hundred-forty-two new books were received in 1948. New books are chosen according to need, popularity, and permanent individual value to the public.

We owe much to Miss Lydia Koebbe for her loyal and competent service. She began her librarian duties here in 1931.

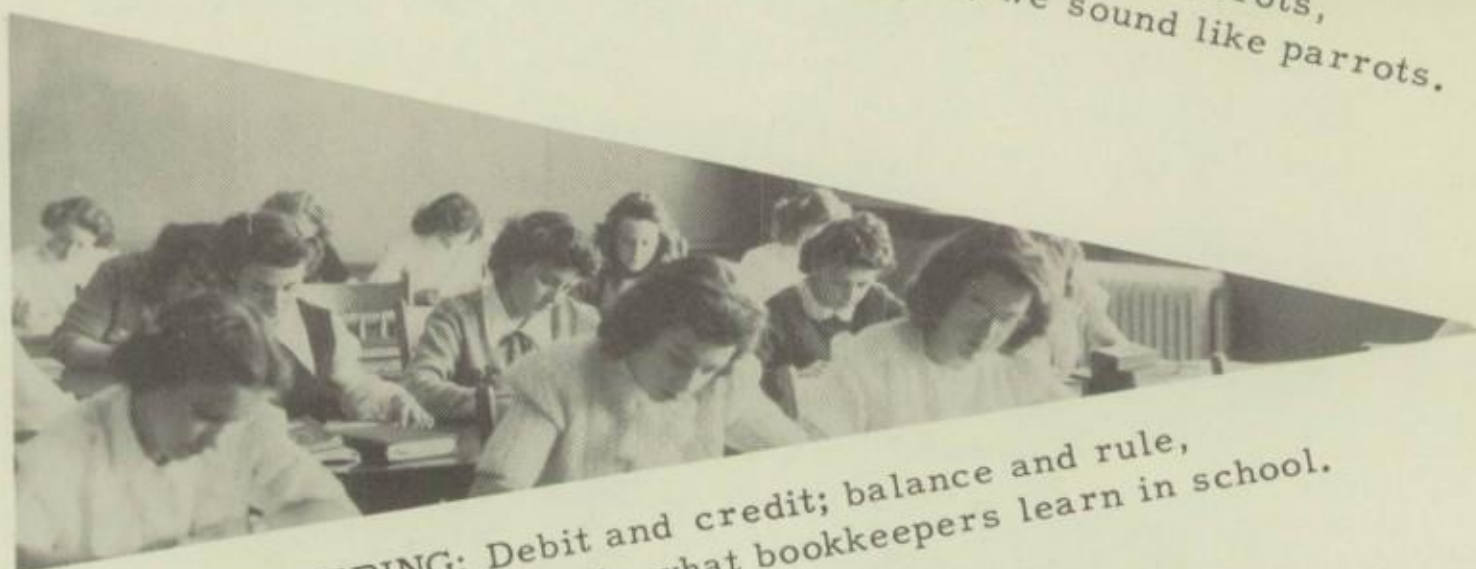

The Dewey Decimal System of classifying non-fiction books is used, while fiction is arranged by the author's last name. Aside from all the volumes, fifty-seven subscriptions to magazines and publications are received.

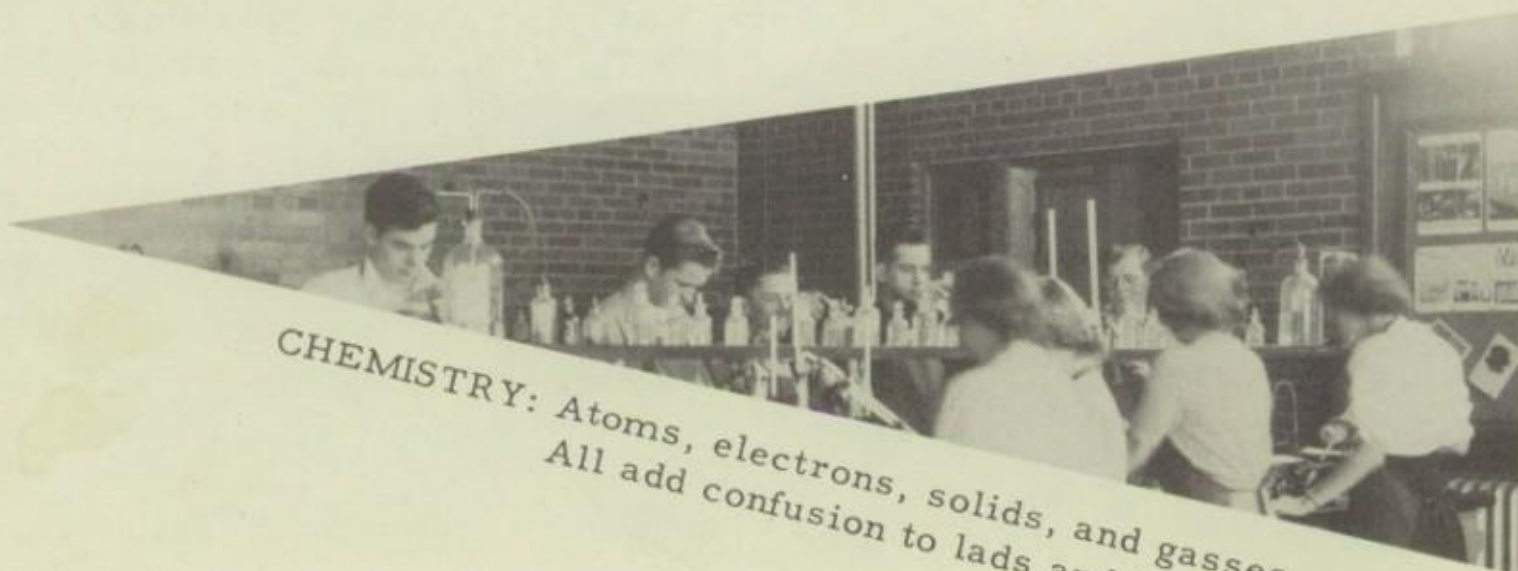

HOME EC: Cooking, sewing, dusting, and baking,
Our future housewives in the making.

BIOLOGY: Frogs, angleworms, bacillus, and carrots,
When we leave this class, we sound like parrots.

BOOKKEEPING: Debit and credit; balance and rule,
This is what bookkeepers learn in school.

CHEMISTRY: Atoms, electrons, solids, and gasses,
All add confusion to lads and lasses.

ALGEBRA: Equations and formulas; a minus and a plus,
Over these things why make such a fuss?

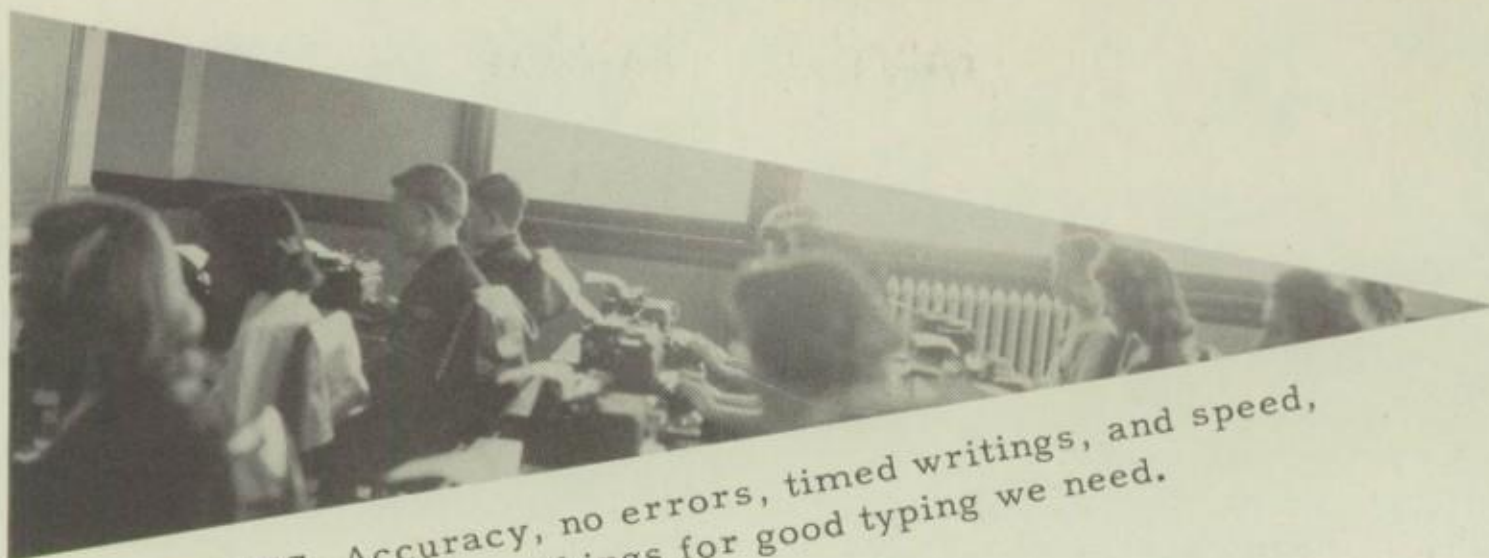

HISTORY: Peace and war; depression and inflation,
Oh what a struggle to form a nation!

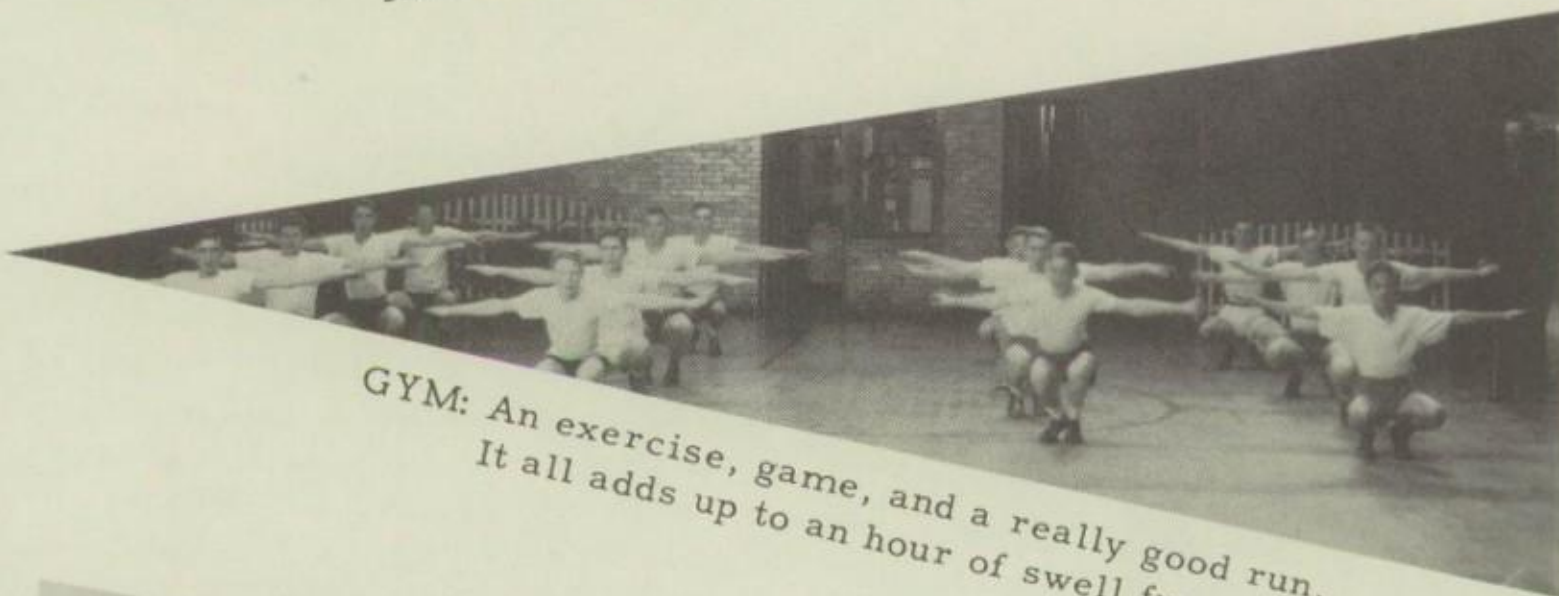

ENGLISH 11: Nouns and commas; paragraphs and themes,
This is the work we do by reams.

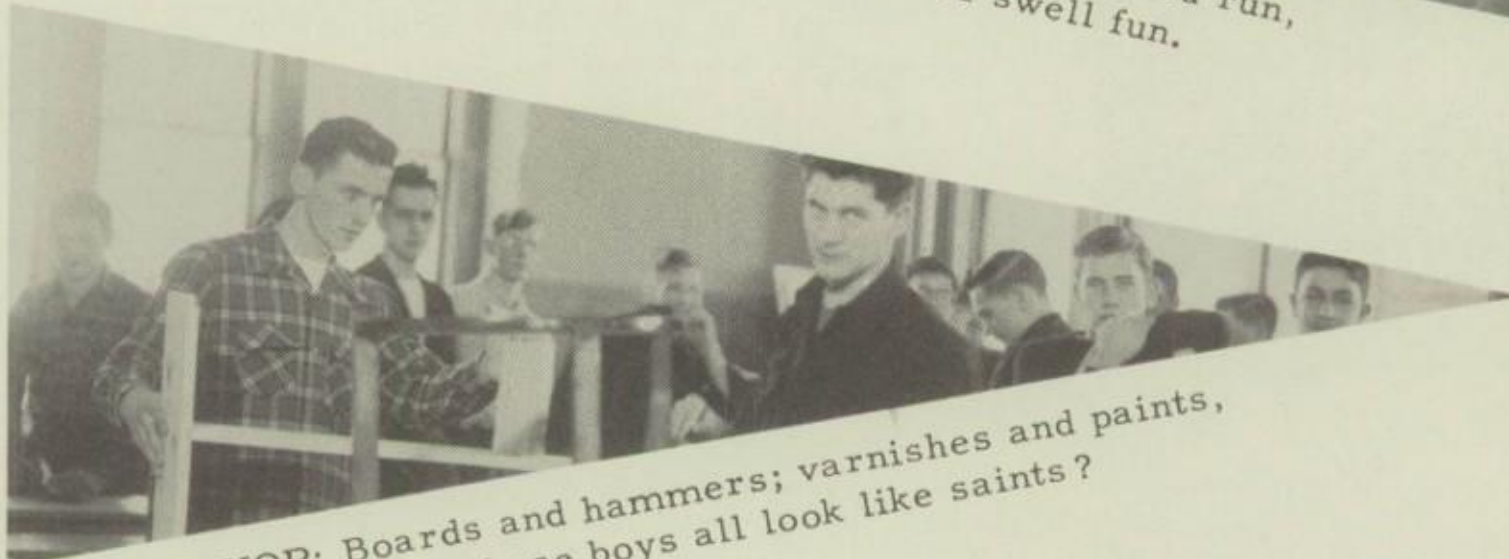

ENGLISH 10: Not only letters, quizzes, and themes,
Brave rolling words can release our dreams.

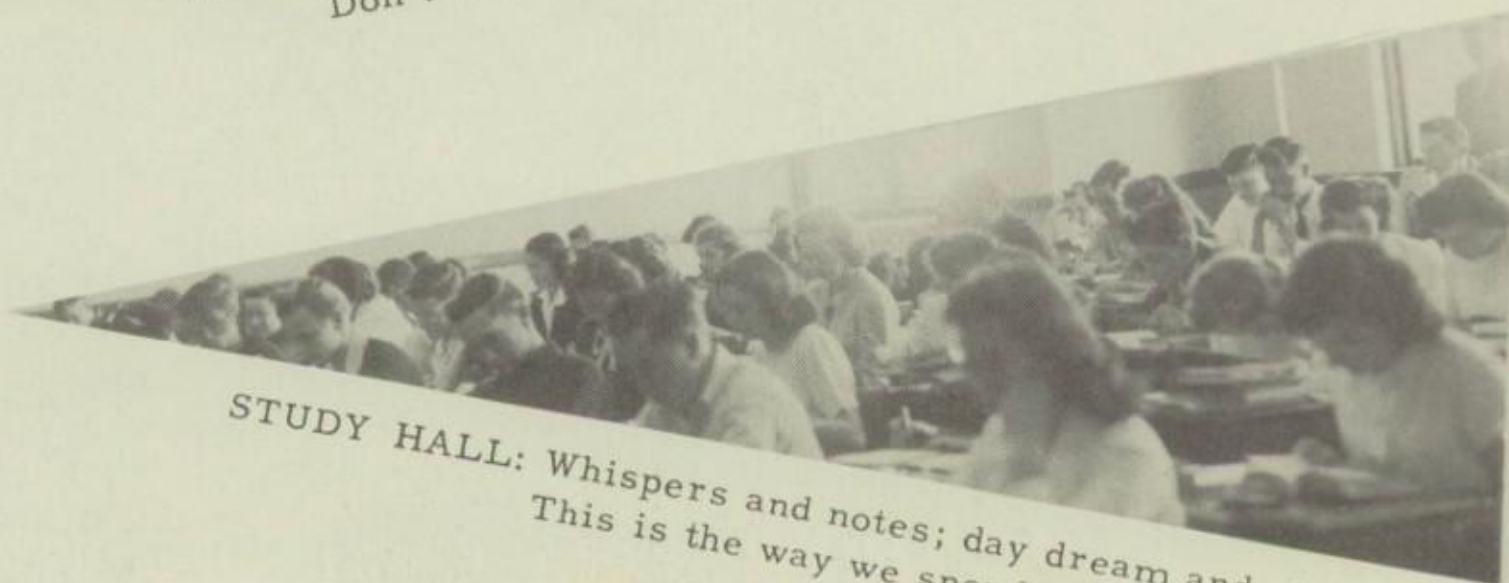

TYPING: Accuracy, no errors, timed writings, and speed,
All these things for good typing we need.

GYM: An exercise, game, and a really good run,
It all adds up to an hour of swell fun.

SHOP: Boards and hammers; varnishes and paints,
Don't these boys all look like saints?

STUDY HALL: Whispers and notes; day dream and slave,
This is the way we spend an hour each day.

Annual Staff

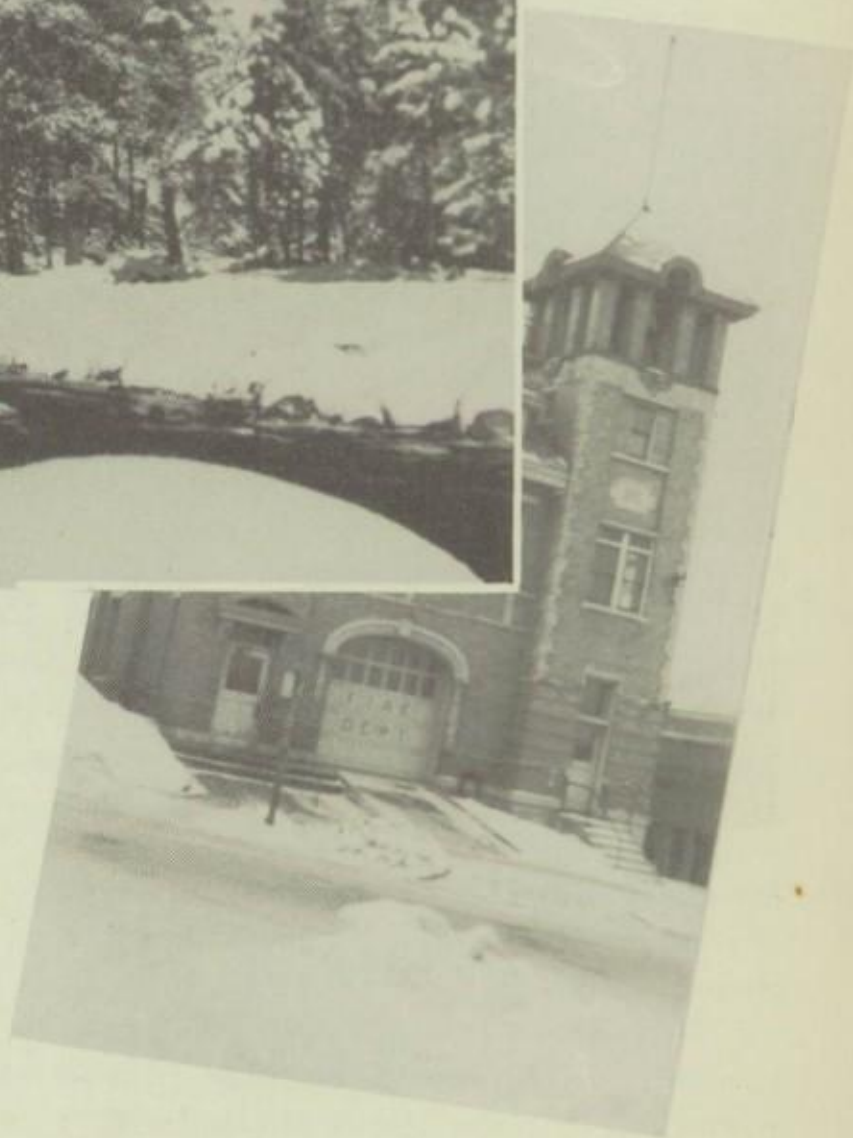

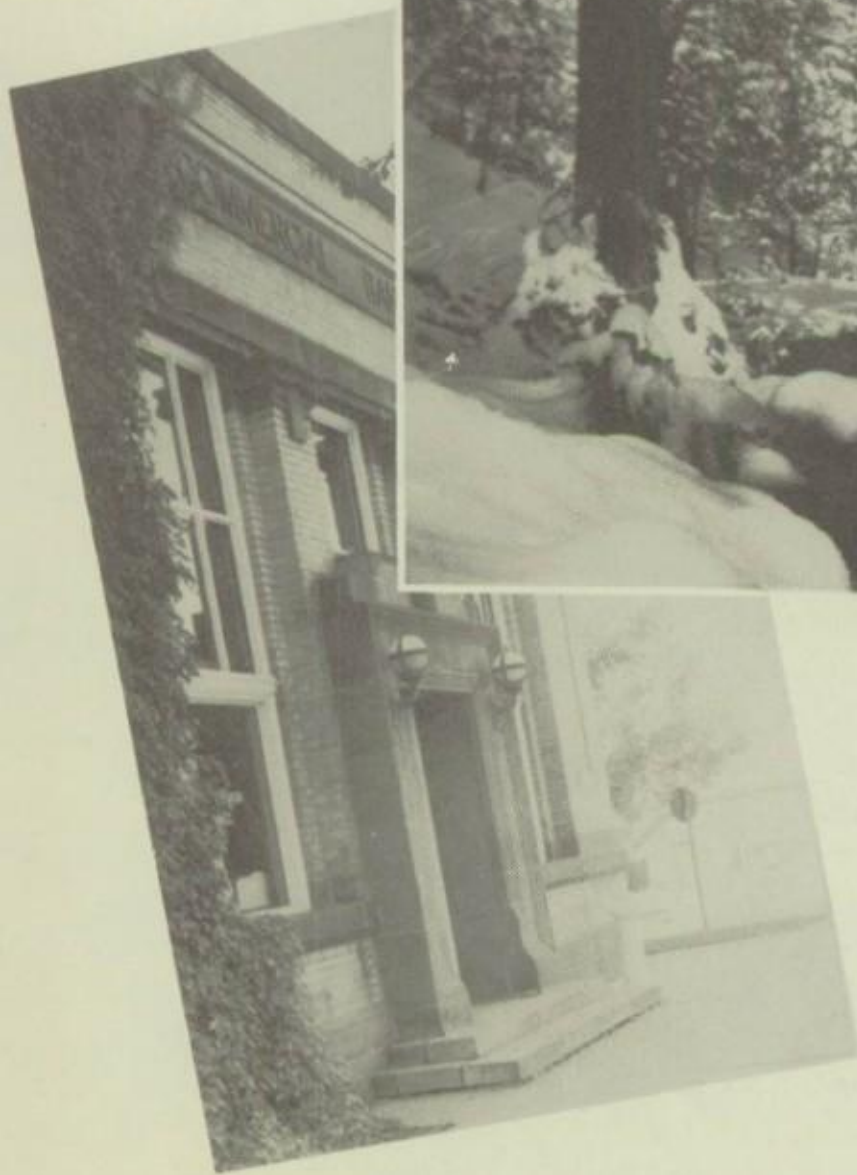

Miss Ruth DuBois

The third hour World Literature class with the aid of Miss Ruth DuBois, the teacher and advisor, assumed the responsibility of the school annual as a class project. Many free hours of work are represented in this year's annual. It was interesting work, and our one hope is that the students will enjoy having the annual as a permanent record of their school years.

Robert Carlson, Joan Anderson, Caroline Hill, Cecilia Kovacich, Lucille Dawson, Reino Laitila, Rose Mongone, Marie Swenski, Jack Jacobson, Ginger Lantz, Molly Hayes, Beatrice Wales, Robert Sundelius, and Dino Pirolo.

History

The year 1945 found us in a panic at the thought of becoming Freshmen in Stambo High. Orientation day, with the memories of Jim Colberg's ability to make many of us feel at ease, was foremost in our minds. Our first achievement was the election of our class officers, Edward Serbinski, President; Robert Carlson, Vice President; and George Tiefel, Secretary and Treasurer.

We soon found that in our midst we had a talented mechanic, Robert Sundelius. Bob started his own "cycle shop," and is making quite a success of himself. In preparation for our Freshman dance, we held noon hour dancing classes, with the help of Miss Colwander. Here, we had fun and got to know our classmates better. The great dance was a success, and we concluded the year with high hopes and courage to face the years to come.

After our long vacation, we came back in high spirits and elected Dino Pirolo, President; Ruth Spicer and Mildred Biondi, Secretary and Treasurer. The outstanding features of our Sophomore year were the selling of stationery to raise money for our class treasury, and the sponsoring of an all-school dance. We were also honored with a new student, Rosetta Spencer.

Our Junior year started the class off in the election of the following officers: Eugene Zanon, President; John Shovald, Vice President; and Elizabeth Garavet, Secretary and Treasurer. Later a steering committee was selected to help the officers with class activities.

We lost one of our most active members of the class, George Tiefel, who went to Dr. Martin Luther College, in New Ulm, Minnesota. His vacant seat was filled by Marie Swenski who came from Iron River. The girls suddenly turned to sciences - for we had a new science teacher.

In December, we sold Christmas cards to raise funds for our depleted treasury.

We were excited with the arrival of our long awaited class rings in March, and soon after we began preparations for the prom. The Prom was a gala affair. The gym was adorned with pine boughs and balloons which caused quite a commotion after the Grand March. The music was furnished by Ernest Tomassoni and his orchestra.

At last, class day arrived, and though we were sad to see our fellow Seniors go, we were oh so proud to move up to the first group of chairs--for now we were SENIORS!

At the opening of our Senior year, we were faced with the Presidential elections both of the United States, and of our class. After a strenuous campaign, managed by Grant Gallup, we finally elected Edward Serbinski, President; Mildred Biondi, Vice President; Marie Swenski, Secretary; and Ralph Lowden, Treasurer.

In November a mock election was held, by Mr. Waite's Civics classes. This caused a great turmoil in our studies for days.

Next in importance was the taking of our graduation pictures. Although everyone wasn't too happy about the results, some of us found we were photogenic. The photographers managed to have them ready by Christmas.

The first part of December found us selling magazines, a project which had been carried on by the Seniors before us. Our money worries were over for we were successful salesmen.

The Latin Club was soon organized. This consisted of about twenty-five members.

After our Christmas vacation, Miss Colwander started a bowling club, which boasted of thirty members. Some of us were experienced and many more were novices. We proved that there can be co-operation among skilled and unskilled persons.

We held a general class meeting in January and decided to have gold and white for our class colors, a yellow rose for our flower, and "Climb Though the Rocks Be Rugged," for our motto.

The Annual, under the leadership of Miss DuBois, was such a success last year that we decided to carry on and have another.

We realize what wonderful high school memories we have. We are now waiting anxiously, and a bit fearfully, toward the activities which make up every graduation--Class Day, Senior Hop, Baccalaureate, and Senior picnic. We only hope we enjoy life on our own as much as we did in high school.

Football Season

STAMBAUGH 12 - NEGAUNEE 6

Deadlocked 6 to 6 at halftime, a slashing 65 yard run in the 4th quarter by Melvin Holme aided by some good down-field blocking enabled the black and orange football warriors to continue their winning ways against Negaunee. The 1948 edition of the Hilltoppers was a green team with only one regular, Melvin Holme, returning, so this auspicious start was greeted with jubilation by the students. An early injury to Lowden gave Lindstrom his opportunity at the end position, where he performed excellently.

STAMBAUGH 6 - NORWAY 6

A favored Norway eleven was battled to a 6 to 6 tie in a game which was hampered by a drizzle which fell the entire second half. Our boys scored in the opening quarter when Lowden fell on a fumbled Norway ball in the end zone. Norway retaliated in the same quarter with a 62 yard run by Marchetti and a 10 yard romp by Devine to score. Neither team converted the extra point.

STAMBAUGH 26 - BESSEMER 6

An overpowering Stambaugh high school football team with an unstoppable ground attack centered around Melvin Holme and Eugene Zanon, crashed its way to a 26-6 victory over the Bessemer Speed Boys. Two touchdowns were scored in the initial period, one in the second and one in the final period. Two of the scores came after long runs by Zanon, fleet-footed halfback, and Holme, our tough butting fullback. John Mastroeni contributed several 15 yard runs to aid materially in the victory. Bessemer scored in the opening period with a sustained march of 80 yards.

STAMBAUGH 12 - IRON MOUNTAIN 6

Playing a brand of football in keeping with the name of Stambaugh High School, our Hilltoppers overcame a 6-0 halftime deficit to score touchdowns in the 3rd and 4th periods before a huge crowd at Nelson Field.

Iron Mountain tallied with a 65 spurt by Olivanti in the second quarter. With Holme, Mastroeni, and Zanon lugging the ball, Stambaugh countered with a touchdown in the 3rd period. On the 1st play of the 4th quarter Lowden made a sensational catch of a Holme-thrown pass to bring victory to the orange and black. The blocking and tackling of Leonoff was a feature of the game.

IRON RIVER 13 - STAMBAUGH 6

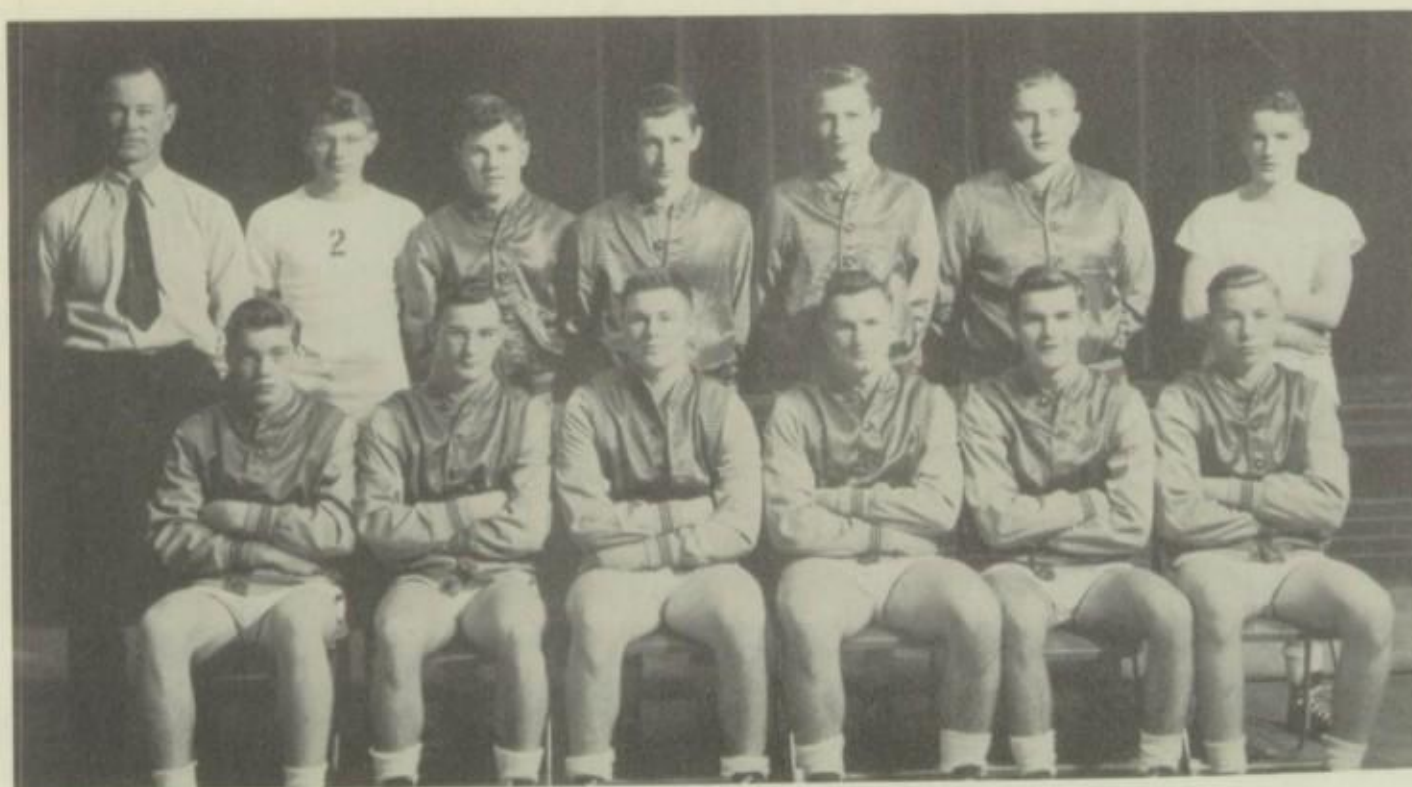

Suffering the loss of Zanon in the opening quarter, Stambaugh went down to defeat before Iron River 13 to 6. Stambaugh had scored first in the 3rd quarter on a pass to Leonoff. However, Iron River countered with two touchdowns in the final canto to capture their first win in seven years.

STAMBAUGH 28 - KINGSFORD 6

Rebounding after its trimming at the hands of Iron River, Stambaugh cruised by land and air to four touchdowns to down a fighting Kingsford eleven 28-6. The defensive play of Cederna, Lowden, Choquette, R. Holmes, Carlson and Serbinski in the line was outstanding. Jurecic, who replaced Zanon in the backfield, gave a fine account of himself.

STAMBAUGH 19 - ISHPEMING 7

Behind 7-6 at halftime, the fighting Hilltoppers ran rough shod over Ishpeming in the second half to score two touchdowns. Numerous penalties prevented additional scoring. Holmes, Mastoreni, and Jurecic proved to be the mainstays in the Stambaugh ground attack. Outstanding lineman on the field was Robert Carlson, Stambaugh's stalwart center. Superb pass catching by Sherwood contributed greatly to victory in the final game of the season. The running and tackling by Jurecic in this game assumed the black and orange of a capable backfield man for the 1949 season.

REVIEW OF THE SEASON

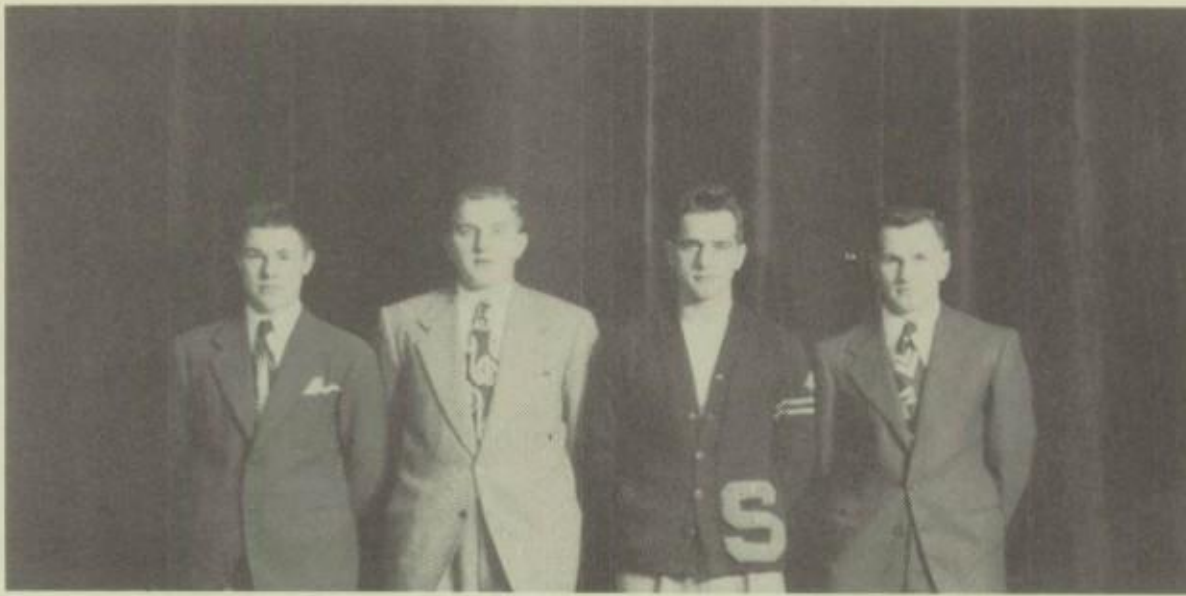

A tremendous fighting effort in District Tournament play at Wakefield brought success to what was a dismal season in the conference race. Going into the tournament as non-contenders the Hilltoppers defeated Bessemer and Crystal Falls, only to be eliminated by Wakefield in the final championship game.

Opening the season with a win over Ishpeming, ultimately to become Class B champions in the U.P., Stambaugh hit the skids and lost the next 8 games. The boys fought hard with that old Stambaugh spirit and the student body gave splendid support, but victory was not to be ours until we squared off with Iron River. Here sweet victory was attained. Kingsford and Norway were defeated in succeeding games and success came to our deserving boys at last.

Including tournament play the Hilltoppers dropped ten games and won six.

Members of our first team were: Melvin Holme, Ronnie Holmes, Ronnie Leonoff, Ronnie Sherwood, Edward Williams, and Lowell Finnegan.

High scoring honors went to Melvin Holme, who performed brilliantly throughout the season. The most improved player was Eddie Williams, who made the starting line-up in mid-season and turned in excellent games thereafter.

Scenic Spots

Be The Best of Whatever You Are! If you can't be a pine on the top of the hill, Be a scrub in the valley - but be The best little scrub on the side of the rill, Be a bush if you can't be a tree. If you can't be a bush, be a bit of grass And some highway happier make. If you can't be a muskie, then just be a bass, But the liveliest bass in the lake. We can't all be captains, some have to be crew. There's something for all of us here. There's work to be done, and we've all got to do Our part, in a way that's sincere. If you can't be a highway, then just be a trail If you can't be the sun, be a star. It isn't by size that you prosper or fail, Be the best of whatever you are. Sparks-Brockton, Mass.
